

First American Title – Updated Information 3-21-2020

The State of Illinois has issued a public order directing Illinois residents to stay at home. First American Title is considered a financial institution and an essential business. As such, we have the ability to schedule and close transactions. Based on the terms of the order we are implementing the following steps effective immediately and until further notice.

Only parties required to sign transaction specific documents and/or their legal representatives will be allowed in our branch offices.

We'll keep all parties informed before, during and after the closing process; and will work with you to arrange delivery of post-closing items.

Due to building specific requirements - the following branches will be unavailable for the duration of the State Order: Oak Park, Skokie & Northbrook.

Thank you in advance for your adherence and understanding of this policy. Our top priority is to keep the First American Family and our business partners healthy and safe. We are doing our very best to facilitate your transaction in the way you've become accustomed during these extremely challenging times.

Additional updates will follow as the situation continues to evolve – thank you.

Chris Poulsen, VP

Direct Division State Manager

First American Title – Illinois
